Chip,
11/12 works for me. However, Dick has some schedule conflicts both in the morning & afternoon. He may be able to get out of his afternoon conflict, but (b) (6) ing conflict.

Nina DeConcini is our DEQ NW Region Administrator. Dick asked Nina to step into the Portland Harbor (PH) project to assist him in his continuing role as DEQ's senior mgr for PH. I'd like Nina to attend both the MOU & Senior Mgr mtgs, but it looks like Nina has conflicts in both the AM & PM on 11/12.

I looked at both Dick & Nina's calendars for 11/08, & there simply isn't a good day for the both of them. Dick is available 11/10, but Nina isn't.

So, it's going to be difficult to schedule mtgs in 11/08 where everyone can attend. Wed 11/12 isn't ideal, but I suppose it will work.

Subject: Date for next milestone meeting - November 12th?

Greetings

We have identified November 12th in the afternoon as a potential date for the next Portland Harbor project milestone meeting. If that's workable, we may want to consider having our MOU meeting in the morning as well. Although the week isn't ideal because of Veteran's day on the 11th, Dan's calendar is pretty full for November. Please let us know if we can start making plans for the 12th or need to look at other dates.

thanks
Chip
